- Emotional Intelligence

Technical Skills

- React.js
- TypeScript
- Tailwind CSS
- JavaScript
- Node.js
- PHP
- SQL
- GitHub
- Postman

Language

- Thai (Native)
- English

👤 About me

I have front-end development experience from an internship, where I worked with TypeScript, Tailwind CSS, and React.js to build dynamic and responsive web applications. While I have developed a solid foundation in front-end technologies, my true passion lies in back-end development. I am eager to expand my expertise and take on full-stack challenges

Experience (Internship)

laconic technology Co., ltd   May - Present 2024

Front-end developer

- Developed and maintained web applications using React.js, TypeScript, Tailwind CSS, and Redux.
- Integrated APIs to guarantee smooth operation across the apps
- Debugged and resolved issues as assigned

Education

Bachelor's Degree   2022 - Present

King mongkut's University of Technology North Bangkok

GPA : 3.35
